The Council is continuing to edit the General Plan. Sayers is changing highway references to US 191 for consistency.

Leppanen suggested a work session with P&Z and that the General Plan must be finished in July so we can pass it and have a public hearing. P&Z is considering a public survey but Leppanen explained we do not have all property owners' addresses yet and David Carpenter, the County Recorder, does not have a complete list, which we need to make sure all get the survey.
