Discussion on Funding and Plan for Purchasing/Use of the 'Old' Bluff
Elementary School

Conine reported that he is working on different funding avenues including The National Endowment for the Arts, Zion's Bank, a bond through American Express, and the Eccles Foundation for Dine Bikeyah's art and cultural involvement in the school building. He invited the Council to join him at the American Express meeting in SLC and we will try. Sayers reported on CIB and CDBG grants he is working on for repair and purchase of the school. All had ideas for multipurpose uses. Our next step will be each entity will write their expectations, and go over them in another work session, approximately August 6th. From there write a resolution and get on the County Commission agenda. We will also need a Memorandum of Understanding.

Adjourned at 12:42 p.m.
