1. Update on Net Force Installation (Murray)

Murray opened the CC for two NetForce employees and discussed the installation of cameras for broadcasting meetings. The employees said the cameras were permanently mounted; previously we were informed they could be moved. Another question was, should we have sign in required or the option of sign in for public hearings. The feeling was it should be easy for the public to access the YouTube broadcasts. Leppanen suggested getting clarification about cameras and a sign in.

2. Executive Session to Discuss the Purchase, Exchange, or Lease of Real Property (All)

At 9:12 a.m. Murray motioned to close the open meeting and go into closed section to discuss real property, Sayers seconded and Leppanen, Murray, Hook, Sayers and Sosa voted in favor.

At 10:30 a.m. Murray motioned to leave closed session and adjourn, Murray seconded and Leppanen, Murray, Sayers, Hook, and Sosa voted in favor.
