### **Discussion of Proposed 2021 Amended Budget**

Leppanen explained when projecting for the 2021 budget the revenue was underestimated leading to approximately \$230,000 in surplus funds for 2022. To approve the 2022 budget, we must deal with the surplus, where it should go in the budget. Michael Haviken found discrepancies made in invoicing the road work the County completed in the Fall and we have not received the final bill. The only debt we have is \$19,500 for incorporation, Leppanen asked the State for the bill so we can pay it while we have the surplus. Murray said we have come through the covid year in good shape. Hook pointed out we are on a fiscal calendar; our year starts July 1<sup>st</sup>. There were no questions from the public. Leppanen stated the certified tax rate will come out June 8<sup>th</sup>, which we must have before we can vote to approve on June 15<sup>th</sup>. Leppanen is talking with Zions Bank about our options for the surplus. Lastly, we file the budgets with the State. We will discuss options in a work session.

Murray motioned to adjourn at 5:48 p.m., Hook seconded and Leppanen, Murray, Hook and Sosa voted in favor.
