Greetings Mayor Leppanen and Town Council Members:

I urge you to not to allow Judith F Lyman to disconnect her 640 acres from the incorporated town of Bluff. I am especially concerned about the creation of a peninsula.

I am also very offended by the nasty tone / threat in the letter signed by her lawyer Bruce R. Baird. Furthermore, I note her taxes on 640 acres are a whopping \$214.12!

Thank You,

I am opposed to Lyman's request to disconnect her 640 acres from the town of Bluff. A disconnect is likely to result in uncontrolled development.

Dear Mayor Leppanen, Erin Nelson, and AV Technician (Krieg Benally?),

Thank you for allowing my Chat Box comment, about protecting Bluff's Navajo Sandstone aquifer, to be entered into the public comments at this hearing.

I appreciate all that you do!
