Greetings Mayor Leppanen and Town Council Members:

I urge you to not to allow Judith F Lyman to disconnect her 640 acres from the incorporated town of Bluff. I am especially concerned about the creation of a peninsula. I am also very offended by the nasty tone / threat in the letter signed by her lawyer Bruce R. Baird. Furthermore, I note her taxes on 640 acres are a whopping \$214.12!

Thank You,

Susan E (Liza) Doran
