Subject: Temporary Ordinance Comment

Hello P & Z,

I am writing to express support for the proposed helicopter service at Desert Rose Inn.

I am definitely concerned about noise and intrusion, but I am also concerned about the well-being and safety of Bluff residents, tourists, and surrounding residents on Tribal lands. My understanding is that the Desert Rose will open the helicopter pad to medical helicopter use. I believe this initiative holds immense potential to enhance our emergency response capabilities and provide vital services to those in need.

I urge you not to dismiss the helicopter pad out of hand, but to work to try to find a win/win solution with Desert Rose.

As always, thank you very much for your service to the community.

Best regards,
Diana Davidson
