Folks: I read the comments from Mr. Sosa on 06 June 2003, although I disagree with his comments about the aviation facility, I do agree with him that the Town needs to host some type of get together for a celebration of our community. I would suggest something like that to happen on July 4 for the town on the birth of our nation. I would see some type of barbecue at the kitchen. I am willing to commit \$500 for this endeavor. Either have it catered or doing a potluck. Thank you for your consideration.

Wes Shook.
