1. Presentation and Work Session with Judith Oki and Julie DeLong of Pathway Associates

Julie DeLong was unable to attend. Leppanen explained the purpose of the work session is a check in with our strategic planners. The plan was passed in 2023. Judith Oki used a screen presentation to lead the Council through a brief overview of the three-phase strategic process, progress in 2023, and goals for 2024. Oki took written input from the Council and Town Manager and recorded priorities and who would work on the priorities and projects. Each goal on the spreadsheet was discussed with Oki making changes as needed. She suggested groups and individuals decide on and record deadlines for assignments. The tentative date for the next review check-in is June 11th at 3:30 p.m.

2. Other - None

Hook motioned to close the meeting at 4:37 p.m., Davila seconded and Leppanen, Hook, Sosa, Hornsby and Davila voted in favor.
