Subject: Amending the fire mesa kitchen contract

Hi folks

I am in support of efforts of cow canyon coffee to make the contract with FM kitchen more flexible and affordable for the community of Bluff. It's so appreciated to have healthy fresh food available for travelers and locals. A few years ago I did a jam making workshop at FMKitchen/ great success and \$ raised for the town of Bluff. Would love to do that again. Good luck with your decision making process Janet lever wood Sent from my iPhone
