1. Public Comment to be Taken on Town Manager Proposed Salary Increase for FY2025

Nelson stepped out of the hearing for this discussion. Leppanen suggested increasing the Manager's salary from \$60,000 to \$70,000 and noted this is lower than the average Town Manager's salary for similar sized towns. This amount would represent a part-time job in another town and Nelson works fulltime. Consensus was Nelson has brought an advanced skill set with a professional background in accounting and other skills. Hook noted she has secured and is managing grants for the Cooperative Cultural Center and is thankful for her skills and guidance. The Council was in agreement.

Leppanen explained the need for a work session to continue work on the budgets and projects. It will be June 4th.
